10.9.2 the prescribed deadline in respect of any particular Member is 28 days from the date of service of the said notice in accordance with this Article 10 except where the default shares represent at least 0.25% of the number of shares in issue of the class of shares concerned in which case such deadline shall be 14 days;

10.10 Any Member who has given notice of an interested party in accordance with Article 10.2 who subsequently ceases to have any party interested in his shares or has any other person interested in his shares shall notify the Company in writing of the cessation or change in such interest and the Directors shall promptly amend the register of interested parties accordingly.

10.11 In addition to the right of the Board to serve notice on any Member pursuant to Article 10.1, the Board may serve notice on any Member requiring that Member to promptly provide the Company with any information, representations, certificates or forms relating to such Member (or its direct or indirect beneficial owners or account holders) that the Board determines from time to time are necessary or appropriate for the Company to (and each Member shall promptly notify the Company upon any change in circumstances that could affect the accuracy or correctness of the information, representations, certifications or forms so provided):

10.11.2 avoid or reduce any tax, penalty otherwise imposed by International Tax Compliance Legislation, including FATCA, CRS or similar laws (including any withholding upon any payments to such Member by the Company); or

10.11.3 permit the Company to enter into, comply with, or prevent a default under or termination of, an agreement of the type described in section 1471(b) of the United States Internal Revenue Code of 1986, as amended or under similar laws.

- 10.12 If any Member (a "**Defaulting Shareholder**") is in default of supplying to the Company the information referred to above within the prescribed period (which shall not be less than 28 days after the service of the notice) the Member shall be deemed to be a Non-Qualified Holder for the purposes of Article 16.7.
- 10.13 The Company and its agents shall be entitled to hold and process the Information for the purposes of carrying out the business of the Company and the administration and protection of its interests, including without limitation for the purposes set out in Article 10.12 above and shall process any personal data in accordance with all Data Protection Legislation.
- 10.14 The Company or its agents shall, if required to do so under the legislation of any jurisdiction to which any of them are subject, be entitled to release or disclose any information in their possession regarding the Company or its affairs or any of its Members (or their direct or indirect owners or account holders), including without limitation information required under FATCA or similar laws. In making payments to or for the benefit of Members, the Company may also make any withholding or deduction required by FATCA or similar laws.

11. SHARE CERTIFICATES

- 11.1 Neither the Company, nor any of its service providers shall be obliged to issue a share certificate to any holder but every person whose name is entered into the Register may request:
- 11.1.1 without payment, one certificate for all his shares of each class and when part only of the shares comprised in a certificate is sold or transferred to a balance certificate; or
 - 11.1.2 upon payment of such sum as the Board may determine, several certificates each for one or more shares of any class.
- 11.2 Every certificate shall be issued within one month after allotment or lodgement of transfer (or within such other period as the conditions of issue shall provide) and shall specify the shares to which it relates and the amount paid up and the distinguishing numbers (if any).
- 11.3 All forms of certificate for shares or debentures or representing any other form of security (other than letters of allotment scrip certificates and other like documents) shall be issued and may, if determined by the Board, be issued under the Seal of the Company and shall be signed autographically unless there shall be in force a resolution of the Board adopting some method of mechanical signature in which event the signatures (if authorised by such resolution) may be effected by the method so adopted.
- 11.4 The Company shall not be bound to register more than four persons as the joint holders of any share or shares and, in respect of a share held jointly, the Company shall not be bound to issue more than one certificate and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.
- 11.5 If a share certificate be defaced lost or destroyed it may be replaced or renewed without charge (other than exceptional out of pocket expenses) on such terms (if any) as to evidence and indemnity as the

Board thinks fit.

12. LIEN

- 12.1 The Company shall have a first and paramount lien and charge on all shares in the Company (not being fully paid) for all moneys, whether presently payable or not, called or payable at a fixed time in respect of those shares and that whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person (other than such holder) and whether the time for payment or discharge shall have arrived or not and notwithstanding that the same are joint debts or liabilities of such holder and any other person (whether a Member of the Company or not). Such lien or charge shall extend to all dividends from time to time declared in respect of such shares. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien and charge (if any) on such shares.
- 12.2 For the purpose of enforcing such lien the Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, nor until the expiration of 14 days after a notice in writing, stating and demanding payment of the sum presently payable, and giving notice of intention to sell in default, shall have been served on the holder for the time being of the shares or the person entitled by reason of his death or bankruptcy to the shares. For the purpose of giving effect to any such sale the Directors may authorise some person to transfer to the purchaser thereof the shares so sold.
- 12.3 The net proceeds of such sale, after payment of the costs of such sale, shall be applied in or towards payment or satisfaction of the debt or liability in respect whereof the lien exists, so far as the same is presently payable and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the time of the sale. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in relation to the sale.

13. CALLS ON SHARES

- 13.1 The Board may at any time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value or by way of premium and not by the conditions of allotment made payable at fixed times) and each Member shall pay to the Company at the time and place appointed the amount called. A call may be revoked or postponed.
- 13.2 Joint holders shall be jointly and severally liable to paycalls.
- 13.3 If a sum called in respect of a share is not paid before or on the day appointed the person from whom the sum is due shall pay interest from the day appointed to the time of actual payment at such rate as the Board may determine.
- 13.3.1 Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date shall for the purposes of these Articles be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable and, in the case of non-

payment, all the relevant provisions of these Articles as to payment of interest and expenses forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

13.3.2 The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon the shares held by him beyond the sums actually called up thereon as payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is advanced, and upon the money so received or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which it has been received, the Company may (until the same would, but for such advance, become presently payable) pay interest at such rate as the Member paying such sum and the Directors agree upon **PROVIDED THAT** any amount paid up in advance of calls shall not entitle the holder of the shares upon which such amount is paid to participate in respect thereof in any dividend until the same would but for such advance become presently payable.

13.4 The Board may on an issue of shares differentiate between holders as to the amount of calls and the times for payment.

14. FORFEITURE AND SURRENDER OF SHARES

14.1 If a Member fails to pay any call or instalment on the day appointed the Board may, at any time during such period as any part remains unpaid, serve notice requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued and any expenses which may have been incurred by the Company by reason of non-payment.

14.2 The notice shall state a further date on or before which the payment required by the notice is to be made and the place where the payment is to be made and that, in the event of non-payment, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited. If the requirements of any such notice are not complied with any share in respect of which the notice has been given may, at any time before payment has been made and subject to the Law, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends or other distributions declared in respect of the forfeited share and not actually paid before the forfeiture.

14.3 Notice of forfeiture shall forthwith be given to the former holder and an entry of such notice and forfeiture shall forthwith be made and dated in the Register opposite the entry of the relevant share; but no forfeiture shall be in any manner invalidated by any omission or neglect to give notice or to make an entry, in the Register.

14.4 A forfeited share shall be deemed to be the property of the Company and, subject to the provisions of the Law and these Articles may be sold, re-allotted or otherwise disposed of on such terms as the Board shall think fit with or without all or any part of the amount previously paid on the share being credited as paid and at any time before a sale or disposition the forfeiture may be cancelled.

14.5 A person whose shares have been forfeited shall cease to be a Member in respect of those shares but shall remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by

him to the Company in respect of the shares together with interest from the date of forfeiture until payment at such rate as the Board may determine. The Board may enforce payment without any allowance for the value of the shares at the time of forfeiture.

14.6 The forfeiture of a share shall extinguish all interest in and all claims and demands against the Company in respect of the share and all other rights and liabilities incidental to the share as between the holder and the Company.

14.7 The Board may accept from any Member on such terms as shall be agreed a surrender of any shares in respect of which there is a liability for calls.

14.8 Any surrendered share may be disposed of in the same manner as a forfeited share.

14.9 A declaration in writing by a Director or the Secretary that a share has been duly forfeited or surrendered on the date stated in the declaration shall be conclusive evidence of the facts therein as against all persons claiming to be entitled to the shares.

14.10 The Company may receive the consideration given for any share on any re-allotment sale or disposition and may execute a transfer of the share in favour of the person to whom the same is sold or disposed of. The purchaser shall, subject to the provisions of the Law and these Articles, be registered as the holder and shall not be bound to see to the application of the purchase money nor shall his title be affected by any irregularity or invalidity in forfeiture, sale, re- allotment or disposal.

15. REGISTER OF MEMBERS

15.1 The Company shall keep the Register and index of Members in accordance with Sections 123 to 128 of the Law and allow inspection in accordance with Sections 127 to 128 of the Law. The Company may delegate the maintenance of its Register and Index of Members upon such terms as the Board may think fit. In the absence of manifest error, the Register shall be conclusive evidence as to the persons entitled to the shares entered therein. The Company shall not at any time cause or permit to be kept in the United Kingdom any branch register or other register of the Members.

15.2 Each Member shall inform the Company by means of a notice addressed to the Office of any change in his address and immediately after receipt of that notice the entry of the address of that Member in the Register shall be altered in conformity with the notice given.

15.3 The Register may be closed during such periods as the Board thinks fit not exceeding in all thirty (30) days in any year.

16. TRANSFER AND TRANSMISSION OF SHARES

16.1 A transfer of shares shall be made in any form which the Board may approve and shall be executed by or on behalf of the transferor and, unless the share is fully paid, by or on behalf of the transferee.

16.2 Every instrument of transfer shall be left at the registered office of the company, or such other place as the Board may prescribe, with the certificate (if any) of every share to be transferred and such other evidence as the Board may reasonably require to prove the title of the transferor or his right to transfer

the shares.

- 16.3 If the Board refuses to register a transfer of shares it shall, within a period of 2 months after the date on which the Board resolved to refuse the transfer, send to the transferor a written notice of the refusal and return the instrument of transfer to the transferor.
- 16.4 The person transferring the shares remains the holder of the shares until the transfer is registered and the name of the person to whom they are being transferred is entered in the register in respect of the shares.
- 16.5 These articles are subject to, and do not limit or restrict the company's powers to transfer shares in accordance with, the Uncertificated Securities (Enabling Provisions) (Guernsey) Law, 2005.

17. UNTRACED SHAREHOLDERS

- 17.1 The Company shall be entitled to sell (at a price which the Company shall use its reasonable endeavours to ensure is the best obtainable) the shares of a Member or the shares to which a person is entitled by virtue of transmission on death or insolvency or otherwise by operation of law if and provided that:
- 17.1.1 during the period of not less than twelve (12) years prior to the date of the publication of the advertisements referred to below (or, if published on different dates, the first thereof) at least three (3) dividends in respect of the shares in question have become payable and no dividend in respect of those shares has been claimed; and
- 17.1.2 the Company shall following the expiry of such period of twelve (12) years have inserted advertisements, but in a national newspaper and in a newspaper circulating in the area in which the last known address of the Member or the address at which service of notices may be effected under these Articles is located giving notice of its intention to sell the said shares; and
- 17.1.3 during the period of three (3) months following the publication of such advertisements (or, if published on different dates, the last thereof) the Company shall have received indication neither of the whereabouts nor of the existence of such Member or person; and
- 17.1.4 notice shall have been given to the stock exchanges on which the Company is listed, if any.
- 17.2 The foregoing provisions of this Article are subject to any restrictions applicable under any regulations relating to the holding and/or transferring of securities in any paperless system as may be introduced from time to time in respect of the shares of the Company or any class thereof.

18. ALTERATION OF CAPITAL

- 18.1 Subject as provided elsewhere in these Articles, the Company may by Ordinary Resolution:
- 18.1.1 consolidate and divide all or any of its share capital into shares of larger or smaller amounts than its existing shares;

- 18.1.2 subdivide all or any of its shares into shares of a smaller amount than is fixed by the Memorandum provided however that in subdivision the proportion between the amount paid and the amount if any unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived and so that the resolution whereby any share is subdivided may determine that as between the holders of the shares resulting from subdivision one or more of the shares may have such preferred deferred or other rights over the others as the Company has power to attach to unissued or new shares;
- 18.1.3 cancel any shares which, at the date of the relevant Ordinary Resolution, have not been taken or agreed to be taken by any person, and diminish the amount of its authorised share capital by the amount of the shares so cancelled;
- 18.1.4 convert all or any of its shares the nominal amount of which is expressed in a particular currency or former currency into shares of a nominal amount of a different currency, the conversion being effected at the rate of exchange (calculated to not less than 3 significant figures) current on the date of the resolution or on such other day as may be specified therein;
- 18.1.5 where its share capital is expressed in a particular currency or former currency, denominate or redenominate it, whether by expressing its amount in units or subdivisions of that currency or former currency, or otherwise.
- 18.2 The Board on any consolidation or division of shares may deal with fractions of shares in any manner.

19. GENERAL MEETINGS

- 19.1 General meetings shall be held once at least in each calendar year in accordance with Section 199 of the Law but so that not more than fifteen (15) months elapse between one annual general meeting and the next (and the first general meeting of the Company shall in any event be held within 18 months of the incorporation of the Company). At each such annual general meeting shall be laid copies of the Company's most recent accounts, Directors' report and, if applicable, the auditor's report in accordance with Section 252 of the Law. The requirement for an annual general meeting may be waived by the Members in accordance with Section 201 of the Law. Other meetings of the Company shall be called extraordinary general meetings. All general meetings shall be held in Guernsey.
- 19.2 Any general meeting convened by the Board, unless its time shall have been fixed by the Company in general meeting or unless convened in pursuance of a requisition, may be postponed by the Board by notice in writing and the meeting shall, subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business covered by the original notice.
- 19.3 In addition to the right of Members to requisition a general meeting under the Law, the Board may, whenever it thinks fit, and shall on the requisition of Members who hold more than ten per cent (10%) of such of the capital of the Company as carries the right to vote at general meetings (excluding any capital held as Treasury Shares) proceed to convene a general meeting in accordance with Sections 203 to 205 of the Law.

20A HYBRID MEETINGS

- 20A.1 In these Articles:
- 20A.1.1 a “**physical meeting**” means a general meeting held and conducted by physical attendance by Members and/or proxies at a particular place; and
 - 20A.1.2 a “**hybrid meeting**” means a general meeting held and conducted by both physical attendance by Members and/or proxies at a particular place and by Members and/or proxies also being able to attend and participate by electronic means without needing to be in physical attendance at that place.
- 20A.2 The Directors may decide in relation to any general meeting (including a postponed or adjourned meeting) whether the general meeting is to be held as a physical meeting or as a hybrid meeting (and shall, for the avoidance of doubt, be under no obligation to convene a meeting as a hybrid meeting whatever the circumstances).
- 20A.3 Subject to the requirements of the Law, the Directors may make such arrangements as they may decide in connection with the facilities for participation by electronic means in a hybrid meeting, and the entitlement of any Member or proxy to attend the general meeting, or to participate in it by electronic means, shall be subject to such arrangements. In the case of a hybrid meeting, the provisions of these Articles shall be treated as modified to permit any such arrangements and, in particular:
- 20A.3.1 references in these Articles to attending and being present at the meeting, including in relation to the quorum for the meeting and the right to vote at the meeting, shall be treated as including participating in the meeting by electronic means;
 - 20A.3.2 a notice of a general meeting which is to be a hybrid meeting shall state details of the facilities for attendance and participation by electronic means at the meeting or shall state where such details will be made available by the Company prior to the meeting;
 - 20A.3.3 the meeting shall be treated as having commenced if it has commenced at the physical place (or places) specified in the notice of the meeting;
 - 20A.3.4 the meeting shall be duly constituted and its proceedings valid if the chair of the meeting is satisfied, in his or her sole discretion, that adequate facilities have been made available so that all persons (being entitled to do so) attending the hybrid meeting by electronic means, may participate in the business of the meeting, but under no circumstances shall the inability of one or more Members or proxies to access, or continue to access, the facilities for participation in the meeting despite such facilities being made available by the Company, affect the validity of the meeting or any business conducted at the meeting, provided that the meeting is quorate;
 - 20A.3.5 all resolutions put to members at a hybrid meeting, including in relation to procedural matters, shall be decided on a poll;
 - 20A.3.6 the Directors may authorise any voting application, system or facility in respect of the

electronic platform for the hybrid general meetings as they may see fit; and

20A.3.7 if it appears to the chair of the meeting that the electronic facilities for a hybrid meeting have become inadequate for the purpose of holding the meeting then the chair of the meeting may, with or without the consent of the meeting, interrupt or adjourn the meeting (before or after it has started) and the provisions of these Articles shall apply to any such adjournment. All business conducted at the hybrid meeting up to the point of the adjournment shall be valid.

20A.4 In relation to electronic participation at a general meeting, the right of a Member to participate electronically shall include without limitation the right to speak, vote on a poll, be represented by a proxy and have access (including electronic access) to all documents which are required by the Law or these Articles to be made available at the meeting.

20A.5 If, after the sending of notice of a hybrid meeting but before the meeting is held (or after the adjournment of a hybrid meeting but before the adjourned meeting is held), the Board considers that it is impracticable or unreasonable to hold the meeting at the time specified in the notice of meeting using the electronic facilities stated in the notice of meeting or made available prior to the meeting, they may change the meeting to a physical meeting or change the electronic facilities (and make details of the new facilities available in the manner stated in the notice of meeting) or both, and may postpone the time at which the meeting is to be held.

20A.6 An adjourned general meeting or postponed general meeting may be held as a physical meeting or a hybrid meeting irrespective of the form of the general meeting which was adjourned or postponed.

20A.7 Without prejudice to Article 20A.8, the Directors or the chair of the meeting may make any arrangement and impose any requirement or restriction they consider appropriate to ensure the security of a hybrid meeting including, without limitation, requirements for evidence of identity that is:

20A.7.1 necessary to ensure the identification of those taking part and the security of the electronic communication; and

20A.7.2 proportionate to those objectives.

20A.8 The Directors may from time to time make such arrangements for controlling or regulating the level of attendance at any particular place being used for a general meeting (whether involving the issue of tickets or the imposition of some other means of selection or otherwise) as they shall in their absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that such arrangements shall operate so that all members and proxies wishing to attend the meeting are able to attend at one or other of the places designated for the meeting or, in the case of a hybrid meeting, by electronic means.

20. NOTICE OF GENERAL MEETINGS

20.1 A general meeting of the Company (other than an adjourned meeting) must be called by notice of at

20.3 Notice of a general meeting of the Company must be sent to:

20.3.1 every Member;

20.3.2 every Director; and

20.3.3 every Alternate Director registered as such.

20.6 Notice of a general meeting must state the general nature of the business to be dealt with at the meeting.

20.7 Where, by any provision of the Law, special notice is required of a resolution, the resolution is not effective unless notice of the intention to move it has been given to the Company at least twenty-eight (28) clear days before the date of the meeting at which it is moved.

20.8 The Company must, where practicable, give its Members notice of any such resolution in the same manner and at the same time as it gives notice of the meeting.

20.9 Where that is not practicable, the Company must give its members notice at least fourteen (14) clear days before the meeting:

20.9.1 by notice in La Gazette Officielle, or

20.9.2 in any other manner deemed appropriate by the Board.

20.10 If, after notice of the intention to move such a resolution has been given to the Company, a meeting is called for a date twenty-eight (28) clear days or less after the notice has been given, the notice is deemed to have been properly given, though not given within the time required.

20.11 In every notice calling a meeting of the Company there must appear a statement informing the Member of:

20.11.1 his rights to appoint a proxy and under Section 222 of the Law; and

20.11.2 the right to appoint more than one proxy.

20.12 The accidental omission to give notice of any meeting to or the non-receipt of such notice by any Member shall not invalidate any resolution or any proposed resolution otherwise duly approved.

21. PROCEEDINGS AT GENERAL MEETINGS

21.1 The ordinary business of a general meeting shall be to receive and consider the profit and loss account and the balance sheet of the Company and the reports of the Directors and the Auditors, if any, to elect Directors and appoint Auditors in the place of those retiring, to fix the remuneration of the Directors and Auditors, to sanction or declare dividends (if required by these Articles), and to transact any other ordinary business which ought to be transacted at such meeting. All other business shall be deemed special and shall be subject to notice as hereinbefore provided.

21.2 The quorum for a general meeting shall be two (2) or more Members present in person or by proxy provided that, if the Company shall have only one (1) Member entitled to attend and vote at the general meeting, that Member shall constitute a quorum.

21.3 If, within half an hour after the time appointed for the meeting, a quorum is not present, the meeting, if convened by or upon a requisition, shall be dissolved. If otherwise convened it shall stand adjourned until the next Business Day at the same time and place or to such other day and at such other time and place as the Board may determine and (subject to Article 21.5) no notice of adjournment need be given. On the resumption of an adjourned meeting, those Members present in person or by proxy shall constitute a quorum.

21.4 The Chairman (if any) or, if absent, the Deputy Chairman (if any) of the Board or, failing him, some other Director nominated by the Directors shall preside as Chairman at every general meeting of the Company, but if at any meeting none of the Chairman nor the Deputy Chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as Chairman, the Directors present shall choose one of the Directors present to be Chairman, or if no Directors be present or if all the Directors present decline to take the chair, the Members present shall choose one of the Members present to be Chairman of the meeting.

21.5 The Chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting at any time and to any place, but no business shall be

transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for thirty (30) days or more or where business other than the business left unfinished at the meeting from which the adjournment took place is to be put to the adjournment meeting, notice of the meeting shall be given as in the case of an original meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

21.6 At any meeting, a resolution put to the vote shall be decided by a show of hands or by a poll at the option of the Chairman. Nevertheless before or on the declaration of the result a poll may be demanded:

21.6.1 by the Chairman; or

21.6.2 by a Member or Members excluding the holders of the Treasury Shares, present in person or by proxy representing not less than ten (10) per cent of the total voting rights of Members having the right to vote on the resolution; or

21.6.3 by not less than five (5) Members excluding the holders of the Treasury Shares present in person or by proxy having the right to vote on the resolution.

The demand for a poll may be withdrawn.

21.7 Unless a poll is demanded, a declaration by the Chairman that a resolution has on a show of hands been carried or carried unanimously or by a particular majority or lost, and an entry to that effect in the minute book, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded.

21.8 A poll, if demanded, shall be taken at the meeting at which the same is demanded or at such other time and place as the Chairman shall direct and the result shall be deemed the resolution of the meeting.

21.9 If a poll is duly demanded, it shall be taken in such manner and at such place as the Chairman of the meeting may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Chairman of the meeting may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

21.10 A poll demanded on the election of a Chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the Chairman of the meeting directs, not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.

21.11 In case of an equality of votes on a poll, the Chairman of the meeting shall have a second or casting vote.

22. VOTES OF MEMBERS

22.1 Subject to Article 10.6 and to any special rights or restrictions for the time being attached to any class of share, at general meetings of the Company:

22.1.1 on a show of hands every Member, excluding the holders of the Treasury Shares, present in person or by proxy shall have one vote subject to any special voting powers or restrictions;

22.1.2 the demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded;

22.1.3 a demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately;

22.1.4 minutes of all resolutions and proceedings of General Meetings shall be duly and regularly entered in a book provided; and

22.1.5 subject to Article 23.1.1, on a poll, subject to any special voting powers or restrictions, the holder present in person or by proxy of an Ordinary Share, excluding the holders of the Treasury Shares shall be entitled to one vote for each Ordinary Share, or fraction of an Ordinary Share, held by him.

22.2 Where there are joint registered holders of any shares, such persons shall not have the right of voting individually in respect of such share but shall elect one of their number to represent them and to vote whether in person or by proxy in their name. In default of such election the person whose name stands first on the Register shall alone be entitled to vote.

22.3 Any Member being incapable or of unsound mind may vote by his curator or other legal guardian. Any of such persons may vote either personally or by proxy.

22.4 On a poll, votes may be given either personally or by proxy and a Member entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way. A proxy need not be a Member. An instrument of proxy may be valid for one or more meetings.

22.5 No Member shall be entitled to be present or take part in any proceedings or vote, either personally or by proxy, at any meeting unless all calls and other amounts due from him have been paid. No Member shall be entitled to vote in respect of any shares that he has acquired unless he has been registered in the Register as their holder. A Member of the Company shall not, if and for so long as the Directors so determine, be entitled in respect of any share held by him to attend or vote (either personally or by representative or proxy) at any general meeting or separate class meeting of the Company or to exercise any other right conferred by membership in relation to such meeting if he or any other person appearing to be interested in such shares held by him has failed to comply with a notice requiring the disclosure of shareholders' interests and given under Article 10. For the purposes

of determining which persons are entitled to attend or vote at a meeting and how many votes such person may cast, the Company may specify in the notice of the meeting a time, not more than 48 hours before the time fixed for the meeting, by which a person must be entered on the Register in order to have the right to attend or vote at the meeting.

- 22.6 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered and every vote not disallowed shall be valid for all purposes. Any objection made at such meeting in due time shall be referred to the Chairman of the meeting, whose decision shall be final and binding.

23. PROXIES

- 23.1 A Member is entitled to appoint another person as his proxy to exercise all or any of his rights to attend and to speak and vote at a meeting of the Company. A Member may appoint more than one proxy in relation to a meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him.

- 23.2 Subject to the provisions of the Law, the instrument appointing a proxy shall (i) If in writing but not sent in electronic form, be in writing under the hand of the appointor or of his attorney duly authorised in writing or if the appointor is a corporation either under its common seal or under the hand of an officer or attorney duly authorised, or (ii) if sent in electronic form, submitted by or on behalf of the appointer and authenticated.

23.3.1 in the case of an instrument in writing (including, whether or not the appointment of proxy is by electronic means, any such power of attorney or other authority) be deposited at the Office, or at such other place or places as determined by the Directors or as is specified in the notice convening the meeting or in any notice of any adjourned meeting or in any appointment of proxy sent out by the Company in relation to the meeting, not less than forty eight hours (excluding any days which are not Business Days) before the time of the holding of the meeting or adjourned meeting at which the person named in the appointment proposes to vote (the "**Cut-Off Time**"); or

23.3.2 in the case of an appointment by electronic means, where a Relevant Electronic Address has been specified for the purpose of receiving documents or information in electronic form (in the notice convening the meeting, or in any instrument of proxy sent out by the Company in relation to the meeting or in any invitation in electronic form to appoint a proxy issued by the Company in relation to the meeting) be received at such address not later than the Cut-Off Time,

in default of which the proxy shall not be treated as valid unless the Directors otherwise

determine in their discretion.

- 23.4 The appointment of a proxy shall not preclude a member from attending and voting in person at the meeting or poll concerned.
- 23.5 The Directors have the discretion (but shall not be required) to treat any appointment of a proxy received after the Cut-Off Time as valid.
- 23.6 The instrument appointing a proxy may be in any form which the Board may approve and may include an instruction by the appointor to the proxy either to vote for or against any resolution to be put to the meeting.
- 23.7 The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll and shall be as valid for any adjournment as for the meeting to which it relates.
- 23.8 Without prejudice to Section 226 of the Law, a vote given in accordance with the terms of a validly given instrument of proxy shall be valid notwithstanding the previous death or disability of the principal or revocation of the proxy or of the authority under which the proxy was executed PROVIDED THAT no intimation in writing of such death, disability or revocation shall have been received by the Company at the Office before the commencement of the meeting or adjournment or the taking of the poll at which the proxy is used.
- 23.9 Any corporation which is a Member may, by resolution of its directors or other governing body, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Members of the Company or to approve any resolution submitted in writing, and the person so authorised shall be entitled to exercise on behalf of the corporation which he represents the same powers (other than to appoint a proxy) as that corporation could exercise if it were an individual Member of the Company.

24. WRITTEN RESOLUTIONS

- 24.1 Resolutions of the Members may be approved in writing if so determined by the Directors or the Members in accordance with Part XIII of the Law and every Member voting thereon shall have one vote for each share subject to any special voting powers or restrictions.
- 24.2 Notice specifying the proposed resolution in writing may be sent by the Company to Members by post or by facsimile or such other telephonic or electronic means of written communications as the Board may, subject to the Law, determine at any time.
- 24.3 Notices of proposed written resolutions forwarded by post shall be sent to the address of such Members entered in the Register. Notices forwarded by any telephonic or electronic means of written communication shall be forwarded to such destination as the Member in question may at any time designate in writing signed by him.
- 24.4 Notices of proposed written resolutions shall incorporate or be accompanied by an instrument to be signed by or on behalf of the Member to who it is addressed for the purpose of approving the same.

24.5 Any notice of a proposed written resolution shall specify a date and time (whether greater or lesser than any period for the time being prescribed by the Law) at which the instrument or instruments signed by or on behalf of the Members voting in favour thereof shall be counted and at which the resolution if approved by the requisite majority shall become effective. No instrument received or signature appended thereto after such time shall be counted.

24.6 Notwithstanding anything else contained herein (and in particular the method of sending the notice of and instrument for approving the written resolution to Members), all such instruments containing such approval shall be in writing and signed by the Member or Members in question. The signature of a Member shall be acceptable for such purposes if received by facsimile telephonic transmission or in any other way specified in the notice.

The Board may also declare and pay any fixed dividend which is payable on any shares of the Company half-yearly or otherwise on fixed dates whenever the position in the opinion of the Board so justifies.
- 39.2 Subject to Article 10, unless and to the extent that the rights attached to any shares or the terms of issue thereof otherwise provide, all dividends shall be declared and paid according to the amounts paid up on the shares (excluding Treasury Shares) in respect whereof the dividend is paid.

- 39.7 With the sanction of the Company in general meeting, any dividend or distribution may be paid wholly or in part by the distribution of specific assets and, in particular, of paid-up shares of the Company. Where any difficulty arises in regard to such dividend or distribution, the Board may settle the same as it thinks expedient and in particular may issue fractional shares and fix the value for such dividend or distribution of such specific assets and may determine that cash payments shall be made to any

The Board may also, without placing the same to reserve, carry forward any profits or other sums which it may think prudent not to distribute by dividend or distribution.

41. CAPITALISATION OF RESERVES

- 41.1 The Board in its absolute discretion may resolve that it is desirable to capitalise any amount standing to the credit of any of the Company's reserve accounts or to credit of the retained earnings account or otherwise available for distribution and accordingly that such sums be set free for distribution amongst the Members who would have been entitled thereto if distributed and in the same proportions on condition that the same be not paid in cash but be applied either in or towards paying up any amounts for the time being unpaid on any shares held by such Members respectively or paying

up in full unissued shares of the Company to be allotted and distributed credited as fully paid to and amongst such Members. A Member can revoke any such deemed election in accordance with Article 45.11.8 below;

44.11.5 a notice, document or other information served, sent or supplied by means of a website must be made available in a form, and by a means, that the Company reasonably considers will enable the recipient: (i) to read it, and (ii) to retain a copy of it. the period mentioned in this Article 45.11.7 shall be disregarded if: (i) it is made available on the website for part of that period; and (ii) the failure to make it available throughout that period is wholly attributable to circumstances that it would not be reasonable for the Company to prevent or avoid;

44.11.8 any amendment or revocation of a notification given to the Company or agreement (or deemed agreement) under this Article shall only take effect if in writing, signed (or authenticated by electronic means) by the Member and on actual receipt by the company thereof; and

44.12 Where under these Articles a document requires to be signed by a Member or other person then, if in the form of an electronic communication, it must, to be valid, incorporate the electronic signature or personal identification details (which may be details previously allocated by the Company) of that Member or other person, in such form as the Board may approve, or be accompanied by such other evidence as the Board may require to satisfy themselves that the document is genuine. The Company may designate mechanisms for validating any such document, and any such document not so validated by use of such mechanisms shall be deemed not to have been received by the Company.

The Liquidator may with the like authority vest any part of the assets in trustees upon such trusts for the benefit of Members excluding the holders of the Treasury Shares as the Liquidator with the like authority shall think fit and the liquidation of the Company may be closed and the Company dissolved but so that no Member shall be compelled to accept any shares or other assets in respect of which there is any outstanding liability.

45.4 Where the Company is proposed to be or is in course of being wound up and the whole or part of its

business or property is proposed to be transferred or sold to another company ("the transferee") the Liquidator of the Company may, with the sanction of an Ordinary Resolution, excluding the holders of the Treasury Shares conferring either a general authority on the Liquidator or an authority in respect of any particular arrangement, receive in compensation or part compensation for the transfer or sale, shares policies or other like interests in the transferee for distribution among the Members of the Company excluding the holders of the Treasury Shares or may enter into any other arrangement whereby the Members of the Company excluding the holders of the Treasury Shares may, in lieu of receiving cash, shares, policies or other like interests, or in addition thereto, participate in the profits of or receive any other benefits from the transferee.

47. INDEMNITIES

- 47.1 The Directors, Secretary and officers for the time being of the Company and their respective heirs and Executors shall, to the extent permitted by Section 157 of the Law, be fully indemnified out of the assets and profits of the Company from and against all actions expenses and liabilities which they or their respective heirs or executors may incur by reason of any contract entered into or any act in or about the execution of their respective offices or trusts except such (if any) as they shall incur by or through their own negligence, default, breach of duty or breach of trust respectively and none of them shall be answerable for the acts receipts neglects or defaults of the others of them or for joining in any receipt for the sake of conformity or for any bankers or other person with whom any moneys or assets of the Company may be lodged or deposited for safe custody or for any bankers or other persons into whose hands any money or assets of the Company may come or for any defects of title of the Company to any property purchased or for insufficiency or deficiency of or defect in title of the Company to any security upon which any moneys of the Company shall be placed out or invested or for any loss misfortune or damage resulting from any such cause as aforesaid or which may happen in or about the execution of their respective offices or trusts except the same shall happen by or through their own negligence, default, breach of duty or breach of trust.

51. SCRIP DIVIDENDS

51.1 The Board may, if authorised by an Ordinary Resolution of the Company, offer any holders of any particular class of shares (excluding Treasury Shares) the right to elect to receive further shares (whether or not of that class), credited as fully paid, instead of cash in respect of all or part of any dividend specified by the Ordinary Resolution (a "**scrip dividend**") in accordance with the following provisions of this Article 51.

51.2 The Ordinary Resolution may specify a particular dividend (whether or not already declared) or may specify all or any dividends declared within a specified period, but such period may not end later than the conclusion of the fifth annual general meeting of the Company to be held following the date of the meeting at which the Ordinary Resolution is passed.

51.3 The basis of allotment shall be decided by the Board so that, as nearly as may be considered convenient, the value of the further shares, including any fractional entitlement, is equal to the amount of the cash dividend which would otherwise have been paid.

51.4 The Board shall give notice to the Members of their rights of election in respect of the scrip dividend and shall specify the procedure to be followed in order to make an election.

- 51.5 The dividend or that part of it in respect of which an election for the scrip dividend is made shall not be paid and instead further shares of the relevant class shall be allotted in accordance with elections duly made and the Board shall capitalise a sum to the aggregate nominal amount of the shares to be allotted out of such sums available for the purpose as the Directors may consider appropriate.
- 51.6 The further shares so allotted shall rank *pari passu* in all respects with the fully paid shares of the same class then in issue except as regards participation in the relevant dividend.
- 51.7 The Board may decide that the right to elect for any scrip dividend shall not be made available to Members resident in any territory, where in the opinion of the Board, compliance with local law or regulations would be impossible or unduly onerous.
- 51.8 The Board may do all acts and things considered necessary or expedient to give effect to the provisions of a scrip dividend election and the issue of any shares in accordance with the provisions of this Article, and may make such provisions as they think fit in the case of shares becoming distributable in fractions (including provisions under which, in whole or in part, the benefit of the fractional entitlements accrues to the company rather than to the Members concerned).
- 51.9 The Board may from time to time establish or vary a procedure for election mandates, under which a holder of shares may, in respect of any future dividends for which a right of election pursuant to this Article 51 is offered, elect to receive shares in lieu of such dividend on the terms of such mandate.
- 51.10 The Board shall not make a scrip dividend available unless the Company has sufficient undistributed profits or reserves to give effect to elections which could be made to receive that scrip dividend.

52. COMMON SIGNATURE

52.1 The signature of the Company shall be:

52.1.1 the Company's name with the addition of the signature(s) of one or more person(s) authorised generally or specifically by the Board for such purpose; or

52.1.2 the Common Seal of the Company countersigned by such person(s) as the Board may at any time authorise in that behalf.

53. US FEDERAL INCOME TAX PROVISIONS

53.1 Treatment of the Company. The Company shall be treated as a partnership for United States federal, state and local income tax laws, and the Directors agree not to take any position or any action or to make any election, in a tax return or otherwise, inconsistent therewith without the prior consent of the Performance Allocation Shareholder(s).

53.1A Treatment of Share Classes. Each share class shall be treated as a class of stock issued by the Company and the share classes shall not be treated as the equity securities of separate entities within the meaning of Proposed Treasury Regulation § 301.7701-1(a)(5). Neither the Directors nor the Company shall take any action that could reasonably be expected to result in the creation of separate entities with respect to different share classes.

53.2 Profits. Subject to Article 54.3 and except as provided in the Regulatory Allocations, Profits for each financial year shall be allocated as follows:

53.2.1 First, to the Ordinary Shares and Performance Allocation Shares that have received distributions pursuant to Article 39 until the Profits allocated pursuant to this Article 54.2.1 equal the amount of such distributions; and

53.2.2 Next, to the Ordinary Shares and Performance Allocation Shares in proportion to their relative rights to receive future distributions.

53.2.3 Allocations Savings Provision. The allocations set forth in this Article 54.2 are intended to allocate Profits to the Ordinary Shares and Performance Allocation Shares in accordance with their economic interests in the Company while complying with the requirements of Subchapter K of Chapter 1 of Subtitle A of the Code (particularly Section 704 thereof) and the Treasury Regulations promulgated thereunder. It is the intent of the Members that, if immediately after making the allocations set forth in this Article 54.2, the Company was dissolved, its affairs wound up and its assets were distributed to the Ordinary Shares and Performance Allocation Shares in accordance with their respective entitlements (which are intended to be equal to their Adjusted Capital Account balances), such distributions would, as nearly as possible, be equal to the distributions that would be made pursuant to Article 46. If, in the opinion of the Directors, the allocations pursuant to the other provisions of this Article 54.2 are not consistent with the intent of the Members described in the previous sentence, then notwithstanding anything to the contrary contained in this Article 54.2, Profits and Losses shall be allocated in such manner as the Directors determine to be required so as to reflect properly the foregoing premises and conditions of this Article 54.2, and these Articles shall thereby be amended to reflect any such change in the method of allocating Profits and Losses; provided, however, that any change in the method of allocating Profits and Losses shall be made in good faith and shall not materially alter the economic arrangement of the Members or otherwise unfairly discriminate against any Member.

53.3 Code Section 704(c) Tax Allocations.

53.3.1 Income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Ordinary Shares and Performance Allocation Shares so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its initial Agreed Value pursuant to any method allowable under Code § 704(c) and the Treasury Regulations promulgated thereunder.

53.3.2 If the Agreed Value of any Company asset is adjusted after its contribution to the Company, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Agreed Value pursuant to any method allowable under Code § 704(c) and the Treasury Regulations promulgated thereunder.

- 53.3.3 Any elections or other decisions relating to allocations under this Article 54.3 shall be determined by the Directors. Absent a determination by the Directors, the remedial allocation method under Treasury Regulation § 1.704-3(d) shall be used. Allocations pursuant to this Article 54.3 are solely for purposes of federal, state, and local taxes and shall not be taken into account in computing any Member's Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of these Articles.
- 53.3.4 For the proper administration of the Company and for the preservation of uniformity of the Ordinary Shares (or any class or classes thereof), the Directors shall have sole discretion to (i) adopt such conventions as it deems appropriate in determining the amount of depreciation, amortization and cost recovery deductions; (ii) make special allocations for federal income tax purposes of income (including, without limitation, gross income) or deductions; and (iii) interpret the provisions of these Articles as appropriate (x) to reflect the proposal or promulgation of Treasury Regulations under Section 704(b) or Section 704(c) of the Code or (y) otherwise to preserve or achieve uniformity of the Ordinary Shares (or any class or classes thereof). The Directors may adopt such conventions, make such allocations and make such amendments to these Articles as provided in this Article 54.3.4 only if such conventions, allocations or amendments would not have a material adverse effect on the Members, the holders of any class or classes of Shares issued and outstanding or the Company, and if such allocations are consistent with the principles of Section 704 of the Code.
- 53.3.5 Each item of Company income, gain, loss and deduction attributable to transferred Ordinary Shares shall, for federal income tax purposes, be determined on an annual basis and prorated on a monthly basis and shall be allocated to the Members as of the opening of the London Stock Exchange on the first business day of each month; provided, however, that gain or loss on a sale or other disposition of any assets of the Company other than in the ordinary course of business shall be allocated to the Members as of the opening of the London Stock Exchange on the first business day of the month in which such gain or loss is recognized for federal income tax purposes. The Directors may revise, alter or otherwise modify such methods of allocation as they determine necessary, to the extent permitted or required by Section 706 of the Code and the regulations or rulings promulgated thereunder.
- 53.3.6 Allocations that would otherwise be made to a Member under the provisions of this Article 54.3 shall instead be made to the beneficial owner of Shares held by a nominee in any case in which the nominee has furnished the identity of such owner to the Company in accordance with Section 6031(c) of the Code or any other method acceptable to the Directors in their sole discretion.
- 53.4 Losses. Losses shall be allocated among Shares based upon the amounts that each holder of Shares would receive if the Company were to be liquidated immediately following the incurrence of such Loss.
- 53.5 Allocations Attributable to Particular Periods. For purposes of determining Profits, Losses or any other items allocable to any period, such items shall be determined on a daily, monthly, or other basis, as determined by the Directors using any permissible method under Code § 706 and the Treasury

Regulations thereunder. Absent such a determination, such items shall be determined on a monthly basis.

- 53.6 Other Items. Except as otherwise provided in these Articles, all items of the Company income, gain, loss, deduction, credit and any other allocations not otherwise provided for shall be divided among the Ordinary Shares and Performance Allocation Shares in the same proportion as they share distributions, as the case may be, for the year.
- 53.7 Tax Returns and Information. The Directors shall cause the preparation and the timely filing of all federal and applicable state tax returns of the Company. The tax information necessary to enable each Member to prepare its state, federal, local and foreign income tax returns shall be delivered to each Member within a reasonable period after the end of each financial year.
- 53.8 Tax Elections. Except as otherwise provided in these Articles, the Directors shall cause the Company to make any and all elections for federal, state and local tax purposes as they determine appropriate, including, without limitation, any election to adjust the basis of the Company assets pursuant to Code Sections 734(b), 743(b), 754 and 755 or comparable provisions of state or local law, in connection with transfers of Shares.
- 53.9 Tax Matters Member. For the Company taxable years to which the Revised Company Audit Procedures are not applicable, the Directors shall appoint a “tax matters partner” of the Company under Section 6231(a)(7) of the Code, and for the Company taxable years to which the Revised Company Audit Procedures are applicable, the Directors shall appoint a “Partnership representative” of the Company under Section 6223(a) of the Code (the “tax matters partner” and the “Partnership representative” hereinafter collectively referred to as the “Tax Matters Member”). The Tax Matters Member shall have all power and authority with respect to the Company and its Members as a “tax matters partner” or “Partnership representative”, as the case may be, would have with respect to a Company and its partners under the Code and in any similar capacity under state or local law. The Tax Matters Member shall keep the Members reasonably informed as to the status of any tax investigations, audits, lawsuits or other judicial or administrative tax proceedings and shall promptly copy all Members on any correspondence to or from the Internal Revenue Service or applicable state, local or foreign taxing authority relating to such proceedings. The Tax Matters Member has an obligation to perform its duties as Tax Matters Member in good faith and in such manner as will serve the best interests of the Company and all of the Members.

Definitions applicable to this Article 54:

- 53.10 “**Adjusted Capital Account**” means, with respect to any holder of Shares, such person’s Capital Account (as defined below) as of the end of the relevant financial year increased by any amounts which such person is obligated to restore, or is deemed to be obligated to restore pursuant to the next to last sentences of Treasury Regulations § 1.704-2(g)(1) (share of minimum gain) and 1.704- 2(i)(5) (share of member nonrecourse debt minimum gain).
- 53.11 “**Agreed Value**” shall mean with respect to any noncash asset of the Company an amount determined and adjusted in accordance with the following provisions:

- 53.11.1 The initial Agreed Value of any noncash asset acquired by the Company other than by contribution by a Member shall be its adjusted basis for federal income tax purposes.
- 53.11.2 The initial Agreed Value of any noncash asset contributed to the capital of the Company by any Member shall be its gross fair market value on the date of its contribution, as agreed to by the contributing Member and the Company.
- 53.11.3 The Agreed Value of any noncash asset distributed by the Company to any Member shall be its gross fair market value, as determined by the Directors, as of the date the noncash asset is distributed.
- 53.11.4 Unless the Directors determine that making the adjustments under this Article 54.11.4 are not necessary to preserve the Members' economic interests in the Company, the Agreed Values of all noncash assets of the Company, regardless of how those assets were acquired, shall be adjusted from time to time to equal their gross fair market values, as determined by the Directors, as of the following times:
- (a) the acquisition of any Share or Shares in the Company by any new or existing Member in exchange for more than a de minimis Capital Contribution;
 - (b) the distribution by the Company of more than a de minimis amount of money or other property as consideration for all or part of any Share;
 - (c) the liquidation of the Company within the meaning of Treasury Regulations § 1.704-1(b)(2)(ii)(g);
 - (d) the issue of any Share as consideration for the provision of services to or for the benefit of the Company by an existing Member acting in a "partner capacity" within the meaning of Treasury Regulations § 1.704-1(b)(2)(iv)(f)(5)(iii) or by a new Member acting in a partner capacity or in anticipation of being a Member; and
 - (e) the issuance of by the Company of a non-compensatory option within the meaning of Treasury Regulations § 1.704-1(b)(2)(iv)(f)(5)(iv).
- 53.11.5 The Agreed Values of the Company's noncash assets shall be increased (or decreased) to reflect any adjustments to the adjusted basis of such assets pursuant to Code § 734(b) or Code § 743(b), but only to the extent that such adjustments are taken into account in determining Capital Accounts pursuant to Treasury Regulations § 1.704-1(b)(2)(iv)(m), except that Agreed Values of the Company's noncash assets will not be adjusted under this paragraph (f) to the extent that an adjustment under paragraph (e) of this definition is made in connection with the transaction that would otherwise result in an adjustment under this definition.
- 53.11.6 If the Agreed Value of a noncash asset of the Company has been determined or adjusted pursuant to paragraph (b), (e) or (f) of this definition, such Agreed Value shall thereafter be adjusted by the Depreciation taken into account with respect to such asset, for purposes of computing Profits and Losses (or items, if any of income, gain, expense, deduction, or loss of

the Company to be allocated hereunder that are not included in the computation of Profits and Losses).

53.11.7 The Directors in their sole discretion may determine to depreciate or amortize the portion of an adjustment under Section 743(b) of the Code attributable to unrealized appreciation in any contributed property using a predetermined rate derived from the depreciation or amortization method and useful life applied to the Company's common basis of such property, despite the inconsistency of such approach with Treasury Regulation § 1.167(c) 1(a)(6) and Proposed Treasury Regulation § 1.197-2(g)(3) or any successor regulations thereto. If the Directors determine that such reporting position cannot reasonably be taken, the Directors may adopt depreciation and amortization conventions under which all purchasers acquiring Ordinary Shares in the same month would receive depreciation and amortization deductions, based upon the same applicable rate as if they had purchased a direct interest in the Company's property. If the Directors choose not to utilize such aggregate method, the Directors may use any other reasonable depreciation and amortization conventions to preserve the uniformity of the intrinsic tax characteristics of any Ordinary Shares that would not have a material adverse effect on the Members or the record holders of any class or classes of Shares.

53.12 **"Capital Account"** shall mean with respect to each Member an account maintained and adjusted in accordance with the following provisions:

53.12.1 Each person's Capital Account shall be increased by such person's Capital Contributions, such person's distributive share of Profits, any items in the nature of income or gain that are allocated pursuant to the Regulatory Allocations and the amount of any Company liabilities that are assumed by such person or that are secured by Company property distributed to such person.

53.12.2 Each person's Capital Account shall be decreased by the amount of cash and the Agreed Value of any Company property distributed to such person pursuant to any provision of these Articles, such person's distributive share of Losses, any items in the nature of loss or deduction that are allocated pursuant to the Regulatory Allocations, and the amount of any liabilities of such person that are assumed by the Company or that are secured by any property contributed by such person to the Company.

53.12.3 If any Shares are transferred in accordance with the terms of these Articles, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the transferred Shares.

53.12.4 If the Agreed Values of Company assets are adjusted pursuant to the definition of "Agreed Value" contained in these Articles, the Capital Accounts of all Members shall be adjusted simultaneously to reflect the aggregate adjustments as if the Company recognized gain or loss equal to the amount of such aggregate adjustment.

53.12.5 The foregoing provisions and the other provisions of these Articles relating to the

maintenance of Capital Accounts are intended to comply with Treasury Regulations § 1.704-1(b), and shall be interpreted and applied in a manner consistent with such regulations.

- 53.13 **“Capital Contribution”** shall mean with respect to any Member, the amount of money and the initial Agreed Value of any property (other than money) contributed to the Company with respect to the Shares issued to such Member.
- 53.14 **“Code”** shall mean the Internal Revenue Code of 1986, as amended from time to time, or any successor federal revenue law.
- 53.15 **“Depreciation”** shall mean for each financial year of the Company or other period with respect to a particular asset of the Company, an amount equal to the depreciation, amortization or other cost recovery deduction allowable for federal income tax purposes with respect to that asset for such financial year or other period, except that if, as of the beginning of such financial year or other period, the Agreed Value of the asset differs from its adjusted basis for federal income tax purposes, Depreciation for that asset will be an amount that bears the same ratio to its Agreed Value at the beginning of such financial year or other period as the federal income tax depreciation, amortization or other cost recovery deduction with respect to such asset for such financial year or other period bears to its adjusted tax basis at the beginning of the financial year or other period; provided, however, that if the asset’s adjusted basis for federal income tax purposes at the beginning of such financial year or other period is zero, Depreciation for that asset shall be determined with reference to its Agreed Value using any reasonable method selected by the Manager.
- 53.16 **“Profits”** and **“Losses”** shall mean, for each financial year or other period, an amount equal to the Company's taxable income or loss for such year or period, determined in accordance with Code § 703(a) (for this purpose, all items of income, gain, loss or deduction required to be stated separately pursuant to Code § 703(a)(l) shall be included in taxable income or loss), with the following adjustments (without duplication):
- 53.16.1 any income of the Company that is exempt from federal income tax and not otherwise taken into account in computing Profits or Losses shall be added to such taxable income or loss;
- 53.16.2 any expenditures of the Company described in Code § 705(a)(2)(B) or treated as Code § 705(a)(2)(B) expenditures pursuant to Treasury Regulations § 1.704-1(b)(2)(iv)(i), and not otherwise taken into account in computing Profits or Losses, shall be subtracted from such taxable income or loss;
- 53.16.3 if the Agreed Value of any asset of the Company is adjusted under the definition of “Agreed Value,” then for purposes of computing Profits and Losses for the financial year of such adjustment, the amount of that adjustment will be taken into account as income, gain, loss or deduction, as the case may be, as if the asset had been sold for an amount equal to its adjusted Agreed Value as provided by Treasury Regulations § 1.704- 1(b)(2)(iv)(f)(2);
- 53.16.4 gain or loss recognized for federal income tax purposes from the disposition of Company assets shall be computed by reference to the Agreed Value of the property disposed of, notwithstanding that the adjusted tax basis of such property differs from its Agreed Value;

- 53.16.5 Depreciation shall be used in lieu of the depreciation, amortization and other cost recovery deductions taken into account in computing the Company's taxable income or loss;
- 53.16.6 to the extent that Treasury Regulations § 1.704-1(b)(2)(iv)(m)(4) requires an adjustment made to the adjusted tax basis of any of the Company's assets pursuant to Code § 734(b) to be taken into account in determining Capital Account balances as a result of a distribution made other than in redemption of Shares, the amount of such adjustment shall be treated as a taxable gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases the basis of the asset) from the disposition of the asset and shall be taken into account for the purposes of computing Profits and Losses; and
- 53.16.7 notwithstanding any other provision of this definition, no items of income, gain, expense, deduction or loss that are specifically allocated under the Regulatory Allocations are to be taken into account in computing Profits or Losses, but the amounts of those items are to be determined by applying rules comparable to those provided in Articles 54.16.1 through 54.16.6.
- 53.17 **"Regulatory Allocations"** shall mean those allocations of items of the Company income, gain, loss or deduction set forth in Article 54.21 below and designed to enable the Company to comply with the alternate test for economic effect prescribed in Treasury Regulations § 1.704-1(b)(2)(ii)(d), and the safe harbor rules for allocations attributable to nonrecourse liabilities prescribed in Treasury Regulations § 1.704-2.
- 53.18 **"Revised Company Audit Procedures"** means the provisions of Subchapter C of Subtitle A, Chapter 63 of the Code, as amended by P.L. 114 74, the Bipartisan Budget Act of 2015 (together with any subsequent amendments thereto, Treasury Regulations promulgated thereunder, and published administrative interpretations thereof) or any similar procedures established by a state, local, or non-U.S. taxing authority.
- 53.19 **"Treasury Regulations"** shall mean the final and temporary Income Tax Regulations promulgated under the Code, as such regulations may be amended from time to time (including corresponding provisions of succeeding regulations).
- 53.20 Definitions Applicable to Regulatory Allocations. For purposes of these Articles, the following terms shall have the meanings indicated:
- 53.20.1 **"Company Minimum Gain"** has the meaning of "Partnership minimum gain" set forth in Treasury Regulations § 1.704-2(d), and is generally the aggregate gain the Company would realize if it disposed of its property subject to Nonrecourse Liabilities in full satisfaction of each such liability, with such other modifications as provided in Treasury Regulations § 1.704-2(d). In the case of Nonrecourse Liabilities for which the creditor's recourse is not limited to particular assets of the Company, until such time as there is regulatory guidance on the determination of minimum gain with respect to such liabilities, all such liabilities of the Company shall be treated as a single liability and allocated to the Company's assets using any reasonable basis selected by the Manager.

53.20.2 **“Member Nonrecourse Debt”** means any the Company liability with respect to which one or more but not all of the Members bears the economic risk of loss within the meaning of Treasury Regulations § 1.752-2 as a guarantor, lender or otherwise.

53.20.3 **“Member Nonrecourse Debt Minimum Gain”** shall mean the minimum gain attributable to Member Nonrecourse Debt as determined pursuant to Treasury Regulations § 1.704- 2(i)(3). In the case of Member Nonrecourse Debt for which the creditor’s recourse against the Company is not limited to particular assets of the Company, until such time as there is regulatory guidance on the determination of minimum gain with respect to such liabilities, all such liabilities of the Company shall be treated as a single liability and allocated to the Company's assets using any reasonable basis selected by the Directors.

53.20.4 **“Member Nonrecourse Deductions”** shall mean losses, deductions or Code § 705(a)(2)(B) expenditures attributable to Member Nonrecourse Debt under the general principles applicable to “partner nonrecourse deductions” set forth in Treasury Regulations § 1.704-2(i)(2).

53.20.5 **“Nonrecourse Deductions”** shall mean losses, deductions, or Code § 705(a)(2)(B) expenditures attributable to Nonrecourse Liabilities (see Treasury Regulations § 1.704-2(b)(1)). The amount of Nonrecourse Deductions for a Financial year shall be determined pursuant to Treasury Regulations § 1.704-2(c), and shall generally equal the net increase, if any, in the amount of Company Minimum Gain for that taxable year, determined generally according to the provisions of Treasury Regulations § 1.704-2(d), reduced (but not below zero) by the aggregate distributions during the year of proceeds of Nonrecourse Liabilities that are allocable to an increase in Company Minimum Gain, with such other modifications as provided in Treasury Regulations § 1.704-2(c).

53.20.6 **“Nonrecourse Liability”** means any the Company liability (or portion thereof) for which no Member bears the economic risk of loss under Treasury Regulations § 1.752-2.

53.21 **“Regulatory Allocations”** shall mean allocations of Nonrecourse Deductions provided in Article 53.21.1, allocations of Member Nonrecourse Deductions provided in Article 53.21.2 below, the minimum gain chargeback provided in Article 53.21.3 below, the Member nonrecourse debt minimum gain chargeback provided in Article 53.21.4 below, the qualified income offset provided in Article 53.21.5 below, the gross income allocation provided in Article 53.21.6 below, and the curative allocations provided in Article 53.21.7 below.

53.21.1 Nonrecourse Deductions. All Nonrecourse Deductions for any financial year shall be allocated to the Members in accordance based upon their relative holdings of Ordinary Shares.

53.21.2 Member Nonrecourse Deductions. All Member Nonrecourse Deductions for any Financial year shall be allocated to the Member who bears the economic risk of loss under Treasury Regulations § 1.752-2 with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable.

53.21.3 Minimum Gain Chargeback. If there is a net decrease in Company Minimum Gain for a

Financial year, each Member shall be allocated items of the Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of such net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations § 1.704-2(g)(2) and the definition of Company Minimum Gain set forth above. This provision is intended to comply with the minimum gain chargeback requirement in Treasury Regulations § 1.704-2(f) and shall be interpreted consistently therewith.

53.21.4 Member Nonrecourse Debt Minimum Gain Chargeback. If there is a net decrease in Member Nonrecourse Debt Minimum Gain attributable to a Member Nonrecourse Debt for any Financial year, each Member who has a share of the Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt as of the beginning of the Financial year, determined in accordance with Treasury Regulations § 1.704-2(i)(5), shall be allocated items of the Company Profits for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Treasury Regulations §§ 1.704-2(i)(4) and (5) and the definition of Member Nonrecourse Debt Minimum Gain set forth above. This Paragraph is intended to comply with the member nonrecourse debt minimum gain chargeback requirement in Treasury Regulations § 1.704-2(i)(4) and shall be interpreted consistently therewith.

53.21.5 Reallocation of Losses. If and to the extent that any allocation of Losses (and any items of expense, deduction, or loss to be allocated hereunder that are not included in the computation of Losses) to any Member would cause a deficit in such Member's Adjusted Capital Account or would further reduce an existing balance that is already negative, then such Losses (and any items of expense, deduction, or loss to be allocated hereunder that are not included in the computation of Losses) shall be allocated to other Members for whom the limitation described in this Article does not apply in proportion to the amounts of Losses (or items of expense, deduction, or loss to be allocated hereunder that are not included in the computation of Losses) that otherwise would be allocated among them for that financial year. In the event that any special allocations of Losses (and any items of expense, deduction, or loss to be allocated hereunder that are not included in the computation of Losses) are made pursuant to this paragraph, items of gross the Company income and gain from subsequent periods shall be specially allocated to offset, to the extent feasible and as promptly as possible, such special allocations of Losses (and any items of expense, deduction, or loss to be allocated hereunder that are not included in the computation of Losses).

53.21.6 Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations §§ 1.704- 1(b)(2)(ii)(d)(4), (5), or (6), items of the Company income and gain (consisting of a pro rata portion of each item of the Company income, including gross income, and gain for such year) shall be allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, any deficit in such Member's Adjusted Capital Account created by such adjustments, allocations or distributions as quickly as possible.

53.21.7 Gross Income Allocation. In the event any Member has a deficit in its Adjusted Capital Account

at the end of any Financial year, each such Member shall be allocated items of Company gross income and gain, in the amount of such Adjusted Capital Account deficit, as quickly as possible.

53.21.8 Curative Allocations. When allocating Profits and Losses, such allocations shall be made so as to offset any prior allocations of gross income under Article 54.21 above to the greatest extent possible so that overall allocations of Profits and Losses shall be made as if no such allocations of gross income occurred.

53.21.9 Ordering. The allocations in this Article 54.21 to the extent they apply shall be made before the allocations of Profits and Losses and in the order in which they appear above.

53.22 Code Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Code § 734(b) or Code § 743(b) is required, pursuant to Treasury Regulations § 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such section of the Regulations.

55 SCHEDULE TO THE ARTICLES

The Schedule following shall be read and construed as forming part of these Articles.

SCHEDULE

1. PERFORMANCE ALLOCATION

1.1 Subject to the satisfaction of the Hurdle Condition, in respect of each Performance Allocation Period, the Performance Allocation Amount shall be allocated to the Performance Allocation Shares Class Fund (to the extent that amount is a positive number).

The "**Performance Allocation Amount**" relating to the Performance Allocation Period shall be an amount equal to:

$((A-B) \times C) \times 20$ per cent.

where:

A is the Adjusted Net Asset Value per Fund Share on the Calculation Date, adjusted by:

adding back (i) the total net Distributions (if any) per Fund Share (whether paid or, if already deducted from the Net Asset Value, declared but not yet paid) during the Performance Allocation Period; and (ii) any accrual for the Performance Allocation for the current Performance Allocation Period reflected in the Net Asset Value per Fund Share; and

deducting any accretion in the Net Asset Value per Fund Share resulting from either the issuance of Fund Shares at a premium or the repurchase or redemption of Fund Shares at a discount during the Performance Allocation Period;

B is the Adjusted Net Asset Value per Fund Share at the start of the Performance Allocation Period; and

C is the time weighted average number of Fund Shares in issue during the Performance Allocation Period.

1.2 The allocation of the Performance Allocation Amount in respect of any Performance Allocation Period shall be conditional on whether the Adjusted Net Asset Value per Fund Share on the Calculation Date would, after:

adding back (i) the total net Distributions (if any) per Fund Share (whether paid, or if already deducted from the Net Asset Value, declared but not yet paid) during the Performance Allocation Period; and (ii) any accrual for the Performance Allocation for the current Performance Allocation Period reflected in the Net Asset Value per Fund Share; and

deducting any accretion in the Net Asset Value per Fund Share resulting from either the issuance of Fund Shares at a premium or the repurchase or redemption of Fund Shares at a discount during the Performance Allocation Period, be greater than or equal to the "**Hurdle Amount**" (the "**Hurdle Condition**"). The Hurdle Amount shall represent an 8 per cent. annualised compounded rate of return in respect of Adjusted Net Asset Value per Fund Share from the start of the initial Performance Allocation Period through the then current Performance Allocation Period, taking into account all

Distributions (whether paid or declared but not yet paid) on Fund Shares.

For this purpose the Company shall calculate the Performance Allocation Amount as if the Company existed as of 30 October 2019, the date on which the Fund was admitted to trading on the London Stock Exchange.

- 1.3 The Directors may use the Model as an aid to calculating the Performance Allocation Amount in the event of any doubts or disagreements over the intended operation of the provisions of this paragraph 1. The Directors may agree with the holders of Performance Allocation Shares to make such adjustments to the Model as may be considered fair, reasonable and necessary to give effect to the intentions of the Fund and the holders of Performance Allocation Shares as at Admission, and any such changes shall be deemed not to constitute a variation of the class rights attaching to the Ordinary Shares or any other class of Shares. Where the Directors and the holders of the Performance Allocation Shares are unable to agree on the Performance Allocation Amount in respect of a Performance Allocation Period, the matter shall be referred to independent accountants as agreed between the Company and the holders of the Performance Allocation Shares or, failing such agreement, appointed by the President of the Institute of Chartered Accountants in England and Wales (acting as an expert and not an arbitrator), whose decision shall be treated as final but shall not amount to a variation of class rights in respect of any class of Shares.

2 DISTRIBUTIONS IN RELATION TO PERFORMANCE ALLOCATION SHARES

- 2.1 Subject to paragraph 2.3, any amounts allocated to the Performance Allocation Shares Class Fund (including, for the avoidance of doubt, any accumulated undistributed amounts) shall be distributed to the holders of Performance Allocation Shares in the form of a combination of cash, Ordinary Shares issued by the Company or Fund Shares purchased by the Company from the secondary market in accordance with paragraph 2.2 (such Ordinary Shares and/or Fund Shares being the "**Performance Shares**") in the following manner:

2.1.1 no later than 45 days after the Calculation Date, the Performance Allocation Amount shall be calculated on the basis of the unaudited Adjusted Net Asset Value per Fund Share (the "**Unaudited Performance Allocation Amount**") and 30 per cent. of the Unaudited Performance Allocation Amount (the "**Initial Payment Amount**") shall be distributed in cash to the holders of Performance Allocation Shares except to the extent that the holders of a majority of the Performance Allocation Shares elect to reduce the Initial Payment Amount to a lesser amount or zero; and

2.1.2 no later than 20 Business Days after the publication of the Fund's audited annual financial statements relating to the relevant Performance Allocation Period, the Company shall calculate the Performance Allocation Amount on the basis of the audited Adjusted Net Asset Value per Fund Share as at the Calculation Date (the "**Audited Performance Allocation Amount**"). The Company shall make the following distributions: (i) no less than 50 per cent. of the Audited Performance Allocation Amount, as determined by the holders of a majority of the Performance Allocation Shares, shall be distributed to the holders of the Performance Allocation Shares in Performance Shares (except to the extent that the value of such

distribution of Performance Shares, when aggregated with the Initial Payment Amount, will be greater than the Audited Performance Allocation Amount, in which case the number of Performance Shares will be reduced accordingly); and (ii) the remainder of the Audited Performance Allocation Amount less the Initial Payment Amount (if a positive number) will be distributed in cash to the holders of the Performance Allocation Shares.

2.2 In satisfying any obligation under this paragraph 2 to distribute a proportion of the Performance Allocation Amount to the holders of Performance Allocation Shares in the form of Performance Shares.

2.2.1 subject to paragraph 2.2.2:

(A) the Company may issue to the Performance Allocation Shareholder(s) in satisfaction of the relevant proportion of the Performance Allocation Amount such number of new Ordinary Shares credited as fully paid as is equal to the relevant proportion of the Performance Allocation Amount divided by the Net Asset Value per Fund Share on the Calculation Date (subject to the adjustments referred to earlier in this paragraph 2.2.1(A) and rounded down to the nearest whole Ordinary Share); and/or

(B) if the Average Trading Price is lower than the Net Asset Value per Fund Share on the Calculation Date (as adjusted to exclude any Distribution which is included in such quotations if the Fund Shares delivered are ex that Distribution), the Company may, provided it has sufficient cash available, satisfy its obligation with respect to the relevant proportion of the Performance Allocation Amount by the application of an amount equal to the relevant proportion of the Performance Allocation Amount to the purchase of Fund Shares for cash in the secondary market at a price no greater than the Net Asset Value per Fund Share on the Calculation Date (subject to the adjustments referred to earlier in this paragraph 2.2.1(B)). In making or directing a broker or other agent of the Company to make any such purchases, the Company shall act as the agent of the Performance Allocation Shareholder(s) and not as principal. If it is not possible to apply all of the relevant proportion of the Performance contractual restriction or Allocation Amount to the acquisition of Fund Shares in the secondary market at or below the Net Asset Value per Fund Share on the Calculation Date (subject to the adjustments referred to earlier in this paragraph 2.2.1(B)) within one month following the determination of the Unaudited Performance Allocation Amount or the Audited Performance Allocation Amount (as the case may be), then the Directors, with the consent of the Performance Allocation Shareholder(s), shall issue such number of new Ordinary Shares as is equal to the remainder of the relevant proportion of the Performance Allocation Amount divided by the Net Asset Value per Fund Share on the Calculation Date (subject to the adjustments referred to earlier in this paragraph 2.2.1(B) and rounded down to the nearest whole Ordinary Share).

2.2.2 Any portion of the Performance Allocation Amount shall be distributed by the Company in cash to the extent necessary if:

(A) the Company is limited or prohibited from issuing or acquiring Performance Shares by

any contractual restriction or applicable law (whether in the form of statute, or decision of a court or administrative tribunal) or regulation or, if applicable, the prevailing rules, regulations, determinations, guidelines or instructions of any governmental, stock exchange or regulatory authority in any jurisdiction to which the Company or the Fund (as the context may require) is subject; or

- (B) to the extent that the acquisition of the Performance Shares would (whether pursuant to paragraph 2.2.1(B) or as a result of any exchange of Ordinary Shares for Fund Shares) require the Performance Allocation Shareholder(s) or any member of the Performance Allocation Shareholder(s) (individually or as a group) to make a mandatory bid under Rule 9 of the Takeover Code.

2.2.3 If the Company is required to distribute any portion of the Performance Allocation Amount in cash, but the distribution cannot be made (or cannot be made in full) without causing the Company to fail to satisfy the solvency test specified in section 527 of the Law, or any other relevant restriction to which the Company is subject, the undistributed amount shall be accumulated in the Performance Allocation Shares Class Fund.

2.2.4 If, following completion of the audit in relation to a Performance Allocation Period, it is determined that the value of the distribution of the Performance Allocation Amount to the holders of the Performance Allocation Shareholder(s) for that Performance Allocation Period was in excess of their actual entitlement:

- (A) the holders of the Performance Allocation Shares undertake to pay the Company in cash the amount of the excess distribution within 60 days after the publication of the Company's audited annual financial statements relating to the relevant Performance Allocation Period, with such sum contributed to the Ordinary Shares Class Fund;
- (B) to the extent the holders of the Performance Allocation Shares do not pay to the Company in cash the full amount of the excess distribution within the requisite 60 days, the Directors shall have the ability to reduce the allocation of the Performance Allocation Amount to the Performance Allocation Shares Class Fund in respect of one or more future Performance Allocation Periods by an aggregate amount equal to the unpaid excess distribution; and
- (C) to the extent holders of Performance Allocation Shares pay in cash the amount of the excess distribution to the Company, the Company shall reduce the amount treated as a reduction of the Performance Allocation Amount (and not as an independent capital contribution) for all US, state and local income tax purposes.

2.3 At any time prior to the issuance or acquisition of any Performance Shares pursuant to this Schedule, a person entitled to receive Performance Shares may by notice in writing to the Company waive its right to receive any Performance Shares that would otherwise be issued to it, or procured for its account, until such time as the Directors (in their sole discretion), following a request by the holder of Performance Allocation Shares in respect of the same, decide to so issue or procure such Performance

Shares. For the avoidance of doubt, at any such later event: (a) the holder of Performance Allocation Shares will receive the same number of Performance Shares that it would otherwise have been entitled to under paragraph 2.2 above had such Performance Shares been issued at the relevant time at the prevailing Net Asset Value per Fund Share as at the relevant Calculation Date; and (b) the amount standing to the credit of the Performance Allocation Shares Class Fund shall be reduced to reflect such issuance and/or acquisition of Performance Shares.

- 2.4 In the event of a waiver being exercised pursuant to paragraph 2.3, the Company will adjust the Performance Allocation Amount credited to the Performance Allocation Shares Class Fund to ensure that the holders of the Performance Allocation Shares shall, in respect of any amounts calculated in accordance with the provisions of this Schedule in respect of the relevant Calculation Date which would otherwise have been used by the Company to capitalize an issuance of Performance Shares and/or procure a secondary market acquisition of Performance Shares on behalf of the holder of Performance Allocation Shares in accordance with this Schedule, have the same investment exposure to the performance of the Company's portfolio as it would have done had such Performance Shares been so issued and/or procured in accordance with this Schedule absent exercise of the waiver (including, for the avoidance of doubt, benefiting from any dividends or distributions which the holder of Performance Allocation Shares would otherwise have received in respect of such Performance Shares).
- 2.5 Any such waiver in accordance with paragraph 2.3 and any resulting operation of paragraphs 2.3 and 2.4 of this Schedule shall have no economic consequences for the holders of Fund Shares that are less favourable than the economic consequences that would have accrued to such shareholders had the waiver provided for in paragraph 2.3 of this Schedule not been exercised.
