Arrangements for the Annual General Meeting in light of Covid-19

The Company is closely monitoring the Covid-19 situation, including the Guernsey government guidance, and will continue to do so in the lead up to the AGM.

In order to ensure the health and safety of shareholders and the Company's Board and Investment Manager, shareholders should note that the AGM will focus only on those matters required by law and regulation. Aside from the formal meeting, there will not be the opportunity to meet members of the Company's Board and Investment Manager informally.

In light of the current Guernsey government guidance on reducing social interactions between people (social distancing) to reduce the transmission of Covid-19, and specifically the avoidance of large gatherings and non-essential travel, shareholders should carefully consider whether or not it is appropriate to attend the meeting in person this year if the guidance continues to be the same or even more restrictive.

As such, the Board encourages all shareholders to appoint the Chairman of the Meeting as their proxy as early as possible in order to vote on the matters being considered at the meeting. All votes on the resolutions contained in the Notice of Annual General Meeting will be held by poll, so that all voting rights exercised by Shareholders who are entitled to do so at the Annual General Meeting will be counted.

The situation is developing rapidly and shareholders should note that further changes may need to be put in place at short notice in relation to the AGM this year.

Updates on the status of the AGM and any changes to the proceedings of the meeting will be published on www.rtwfunds.com/venturefund and announced to the market.

Explanatory Notes:

Ordinary Resolutions

Annual Report and Accounts – resolution 1:

For each financial year, the Directors are required to lay the audited accounts of the Company and the reports of the Directors and auditors thereon before the shareholders at the Annual General Meeting. Shareholders will be asked to receive and consider the Annual Report and audited accounts for the financial year to 31 December 2019, together with the reports of the Directors and auditors thereon.

Directors' remuneration report – resolution 2:

Guernsey-registered companies are not obliged to prepare and publish a Directors' Remuneration Report. However, the Company has included details of its Directors' remuneration within the Annual Report and Accounts and an ordinary resolution will be put to shareholders seeking approval of the Directors' remuneration. The shareholder vote will be advisory only, but the Directors of the Company will take the outcome of the vote into consideration when reviewing and setting the Directors' remuneration policy for the Company's next financial year.

Election of Directors – resolutions 3, 4, 5 & 6:

In accordance with Article 27.3 of the Articles and the AIC Code, at each AGM, each Non-Independent Director and any Independent Director shall retire every year and, if appropriate, seek re-election to the Board.

The Board will undertake an evaluation of the performance of the individual Directors on an annual basis. This evaluation will take the form of questionnaires and discussions to determine effectiveness and performance in various areas. Following this formal evaluation, the Chairman will review the performance and confirm that each of the Directors continues to be effective and to demonstrate commitment to their respective roles. The Directors, therefore, believe that each of the Directors standing for election should be elected as there is a good mix of skills and this is demonstrated by the biographies contained in the Annual Report, published on 22 April 2020.

Appointment and remuneration of the Auditors – resolutions 7 & 8:

Shareholders will be asked to confirm the re-appointment of KPMG Channel Islands Limited and KPMG LLP as the Company's auditors until the conclusion of the next Annual General Meeting to be held in 2021 and to grant authority to the Directors to determine their remuneration.

After a robust discussion and thorough process, the Directors have approved the recommendation from the Audit Committee to re-appoint KPMG Channel Islands Limited and KPMG LLP as the Company's auditors.

Special Resolutions

Share Purchase Authority – resolution 9:

Resolution 9 gives the Company authority to buy back its own ordinary shares in the market as permitted by the Companies Law. The authority limits the number of shares that could be purchased to a maximum number of Ordinary Shares equal to 26,650,546 Ordinary Shares (being 14.99 per cent. of the Ordinary Shares in issue) (excluding Ordinary Shares held in treasury) as at the Latest Practicable Date, and also sets minimum and maximum prices. This authority will expire on the date which is 15 months from the date of passing of this resolution or, if earlier, at the end of the Annual General Meeting of the Company to be held in 2021.

The authority will be exercised only if the Directors believe that to do so would be in the interests of shareholders generally.

Authority to allot Ordinary Shares and disapplication of pre-emption rights – resolution 10:

Resolution 10 will give the Directors authority to allot and issue or make offers or agreements to allot and issue, grant rights to subscribe for, or to convert any securities into, Ordinary Shares for cash. This authority empowers the directors to allot and issue or make offers or agreements to allot and issue, grant rights to subscribe for, or to convert any securities into, Ordinary Shares up to an aggregate number of Ordinary Shares as equal to 17,761,104 Ordinary Shares (representing 9.99 per cent. of the Ordinary Shares in issue) as at the Latest Practicable Date. This authority will expire on the date which is 15 months from the date of passing of this resolution or, if earlier, at the end of the Annual General Meeting of the Company to be held in 2021.

The Board considers that it is in the best interests of the Company and its shareholders generally that the Company should seek the maximum authority generally supported by the pre-emption guidelines and have the flexibility conferred by resolution 10 to conduct a pre-emptive offering.

Note from the Board:

The Board considers that the Resolutions are in the best interests of the Company and its shareholders as a whole. Accordingly, the Board unanimously recommends all shareholders vote in favour of the Resolutions. The Directors who hold beneficial interests in Ordinary Shares intend to do so in respect of their own beneficial holdings of Ordinary Shares which, in aggregate, amount to 966,004 Ordinary Shares, representing 0.54 per cent. of the issued share capital of the Company.

Information as to how to vote can be found in the notes below or contained in the notes to the Form of Proxy, which accompanies this Notice of AGM.

Notes to the Notice of the Annual General Meeting – to be read in conjunction with Arrangements for the Annual General Meeting in light of Covid-19:

1. A member is entitled to attend and vote at the meeting provided that all calls due from him/her in respect of his/her Ordinary Shares have been paid. A member is also entitled to appoint one or more proxies to attend, speak and vote on his/her behalf at the meeting. The proxy need not be a member of the Company but must attend the meeting to represent you. Details of how to appoint the Chairman of the meeting (the "Chairman") or another person as your proxy using the Form of Proxy are set out in the notes to the Form of Proxy enclosed with this Notice. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
2. An ordinary resolution must be passed by a simple majority of the members entitled to vote and voting in person or by attorney or by proxy at the meeting.
3. A special resolution requires not less than 75 per cent. of the members entitled to vote and voting in person or by attorney or by proxy at the meeting.
4. A Form of Proxy is enclosed for use by members. Completion and return of the Form of Proxy will not prevent a member from subsequently attending the meeting (or any adjournments) and voting in person if he so wishes. If you have appointed a proxy and vote at the meeting in person in respect of the Ordinary Shares for which you have appointed a proxy, your proxy appointment in respect of those Ordinary Shares will automatically be terminated. In the case of joint holders, the signature of only one of the joint holders is required on the Form of Proxy. Where more than one of the joint holder purports to appoint a proxy, only the appointment submitted by the more senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being more senior). Where a voting indication is given, your proxy must vote as directed. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, or if a discretionary vote is granted, your proxy will vote (or abstain from voting) at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to every other matter which is put before the meeting.
5. The Form of Proxy, with the letter of power of attorney (if any) under which it is signed, must be lodged with Link Asset Services, at The Registry, PSX1, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF, as soon as possible and in any event no later than 14.00 BST on Tuesday, 23 June 2020, or, if the meeting is adjourned not less than 48 hours before the time appointed for holding adjourned meeting or, in the case of a poll taken more than 48 hours after it was demanded, 24 hours before the time appointed for the taking of a poll or, in the case of a poll taken not more than 48 hours after it was demanded, the time at which the poll was demanded, as the case may be, at which the person named in such instrument proposes to vote, otherwise the person so named shall not be entitled to vote in respect thereof. In calculating such 48-hour period referred to above, no account shall be taken of any part of a day that is not a Business Day. The Company will also accept Forms of Proxy deposited in accordance with the Articles. The Directors may, in their absolute discretion, elect to treat as valid any instrument appointing a proxy which is deposited later than 14.00 BST on Tuesday, 23 June 2020. If the Directors so elect, the person named in such instrument of proxy shall be entitled to vote.
6. To have the right to attend and vote at the meeting (and also for the purpose of calculating how many votes a member may cast on a poll) a member must have his or her name entered on the register of members not later than close of business on 23 June 2020. Changes to entries in the register after that time shall be disregarded in determining the rights of any member to attend and vote at the meeting.
7. In event that a Form of Proxy is returned without an indication as to how the proxy shall vote on the Resolutions, the proxy will exercise his discretion as to whether, and if so how, he votes.
8. The quorum for the meeting is two shareholders present in person or by proxy and entitled to vote, unless the Company has only one shareholder entitled to vote in which case the quorum shall be one shareholder present in person or by proxy.
9. If within half an hour after the time appointed for the meeting a quorum is not present, the meeting shall stand adjourned until the next Business Day at the same time and place or to such other day and at such other time and place as the Board may determine and no notice of such adjournment need be given. At any such adjourned meeting, one shareholder present in person or by proxy shall be a quorum.
10. To allow effective constitution of the meeting, if it is apparent to the Chairman that no shareholders will be present in person or by proxy, other than by proxy in the Chairman's favour, then the Chairman may appoint a substitute to act in his stead for any shareholder, provided that such substitute proxy shall vote on the same basis as the Chairman.
11. Where there are joint registered holders of any Ordinary Shares, any one of such persons may vote at any meeting, either personally, in respect of such Ordinary Shares as if he were solely entitled thereto; and if more than one of such joint holders be present at any meeting personally that one of the said persons so present in person, whose name stands first in the Company's register of members in respect of such Ordinary Shares, shall alone be entitled to vote in respect thereof.
12. A shareholder may appoint more than one proxy in relation to the meeting provided each proxy is appointed to exercise the rights attached to different shares held by a member. You may not appoint more than one proxy to exercise rights attached to any one share. Where multiple proxies have been appointed to exercise rights attached to different shares, on a poll those proxy holders taken together will collectively have the same number of votes as the shareholder who appointed them would have on a poll if he were present at the meeting. On a poll, all or any of the rights of the shareholder may be exercised by one or more duly appointed proxies. To appoint more than one proxy, you may photocopy the Form of Proxy. Please indicate the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions given. All forms must be signed and should be returned together in the same envelope.

13. On a vote on a poll, each proxy has one vote per share. If a proxy is appointed by more than one shareholder, and all such shareholders have instructed the proxy to vote in the same way, the proxy will only be entitled, on a poll, to vote "for" or "against" as applicable. If a proxy is appointed by more than one shareholder, but such shareholders have given different voting instructions, the proxy may, on a poll, vote both "for", and "against" in order to reflect the different voting instructions.
14. On a poll, all or any of the voting rights of the shareholder may be exercised by one or more duly appointed proxies.
15. Corporate representatives are entitled to attend and vote on behalf of the corporate shareholder.
16. A member may terminate a proxy's authority at any time before the commencement of the meeting. In order to revoke a proxy instruction, you will need to inform the Company by sending a signed notice clearly stating your intention to revoke your proxy appointment to Link Asset Services, at The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4ZF. In the case of a shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or a duly appointed attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Link Asset Services no later than 14.00 BST on 23 June 2020. If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.
17. To change your proxy instructions, simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions: any amended proxy appointment received after the relevant cut-off time will be disregarded.
18. CREST members who wish to appoint and/or give instructions to a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 25 June 2020 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
19. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (the CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("**Euroclear**") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Link Asset Services (Crest Participant RA10) by no later than 14.00 BST on 23 June 2020. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Asset Services is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
20. CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions, it is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 34(1) of the Uncertificated Securities (Guernsey) Regulations, 2009.
21. The Directors will answer any questions raised at the Annual General Meeting which relate to the business of the meeting, although no answer need be given:
 - (a) if to do so would interfere unduly with the preparation of the meeting or involve disclosure of confidential information;
 - (b) if the answer has already been given on the Company's website; or
 - (c) if it is undesirable in the best interests of the Company or the good order of the meeting that the question be answered.
22. A copy of this Notice of Annual General Meeting is available on the Company's website: <https://www.rtwfunds.com/venture-fund/>.
23. The latest practicable date for calculating the total issued share capital is Friday, 15 May 2020 (the "**Latest Practicable Date**"). The total issued share capital of the Company as at the Latest Practicable Date is 177,788,831 Ordinary Shares.
24. All capitalised expressions used in this Notice of Annual General Meeting not otherwise defined herein shall have the same meaning given to them in the Articles of the Company.
25. **Form of Proxy.** RTW Venture Fund Limited is committed to reducing paper and improving efficiency in its shareholder communications and from 2021 we will not be sending paper proxy cards to shareholders unless specifically asked to do so. We will provide advice on how to request a paper proxy at the appropriate time.
